

Kiwi West Aquatics Inc.

Reimbursement of Club Registration Fees

Policy #14

Rationale

Kiwi West Aquatics is a not-for-profit organisation and is funded from an annual registration fee payable by Club members. From time to time, members will decide to leave the Club and in some instances a request will be made for the registration fee paid, to be reimbursed to the Club member on leaving.

Purpose

This policy is designed to ensure that the income for the Club is protected and that the Club is not financially disadvantaged throughout the year by requests for reimbursement of registration fees as members leave. The Club is still required to maintain its infrastructure no matter how many members it has.

Guidelines

Therefore, there will be no reimbursement of registration fees.

Conclusion

The Club will not consider any requests for reimbursement of registration fees within the context mentioned above.
